We are based at Bowthorpe Community Garden, Tolye Rd, Three Score, Bowthorpe, NR5 9PR

The main aim of the Bowthorpe Heritage Group is to develop and maintain a community garden on the site of a historic barn, in an area of new housing and continuing expansion.

Our activities offer regular volunteer sessions for residents to look after the raised beds, wildflower area, Buddleia walk, fruit beds, and a more formal area of flowers and shrubs and encouraging local groups and individuals to become members

and care for a specific area of the garden.

We also organise events such as bulb-planting, children's colouring competition, Remembrance Day gatherings, and special work sessions for volunteer groups such as the Good Gym, Local Scouts, local businesses.
